

SINGLE FEASIBLE SOURCE PURCHASE POSTING NOTICE

The Missouri Department of Transportation has determined that only one source can provide the products or services described below

Title: SFS 7-D9111099 Cinders

Description: Central Electric Power Cooperative controls the distribution of coal slag materials (cinders) which is a by-product of electrical generation activities at the Chamois Plant. MoDOT will use these materials as needed during the contract period for various activities, jobs and projects. The vendor will submit individual pricing proposals for plant pickup on these materials when requested by MoDOT. MoDOT will have the right to accept or reject any pricing proposals received.

Contract Period: January 24, 2011 through January 23, 2012

Renewal Options: Up to three (3) one-year extensions, if agreed to by all parties.

Agency: Missouri Department of Transportation
